

Logistics expertise

MERLIZ LOGISTICS PVT. LTD

Merliz Logistics PVT. LTD.

MERLIZ Logistics was established in 1994, in Cochin, Kerala, India, as a forwarding agent. We hold our own CHA license and fleet of trailers, which helps us to provide total logistics solutions to our clients. The role of Clearing and Forwarding Agents is to act as a bridge between Importers and Exporters, connecting customs, ports, shipping agents and other related agencies, to remove the constraints with the Import and Export trade and to guide, with a professional attitude, to achieve the goal. We also serve as vessel handling agents for vessel berthing at Cochin.

Our Motto:

Our customers' satisfaction is the lifeline of our business

Vision Statement:

"Our vision is to be the most valued freight and logistics partner in the eyes of our clients, by providing solutions that matter."

Mission Statement

Achieve business objectives in the competitive market through trustworthiness and professionalism.

We strongly believe in teamwork.

We develop and maintain true, long-lasting relationships with our clients.

The growth of our group is made possible with a strong team and happy customers.

Our company activities

- Customs clearance.
- Warehousing facilities.
- Excellent coordination and a strong presence at seaports, airports, shipping lines and airlines.
- Active member of CCHAA(Cochin Custom Agents Association).
- Vessel handling, stevedoring and vessel chartering.
- We have an excellent network of local and overseas ship owners, operators, traders and co brokers.
- Transportation and handling cargo with our fleet of own trucks/trailers for both 20' and 40' boxes.
- Handled by experienced personnel.
- Dedicated sales and customer service team.

Plan to develop our own NVOCC to:

- Handle and carry cargo to reach the destination at the earliest, safely and securely.
- Offer competitive shipping routes and optimum transit times at affordable rates.
- Own containers offering our valued customers complete logistics solutions.
- Comprehensive service package to link certain destinations.
- Plans to develop feeder vessel operations in view of the commissioning of the International Container Transshipment Terminal at Vallarpadom in Kochi.

Warehouse Facilities

Well-equipped 3,000 sq.ft. of fully covered warehouse to take care of cargo at Kalamassery.

Overseas Agency Network:

Apart from all the above we have a strong agency network in the Middle East, Singapore, China, Colombo and France. We are also under negotiation with some major overseas agents in Europe, UK, Canada and Australia to develop our Export and Import cargo consolidations.

Our Team:

Team Merliz is headed by Mr.Dencil Jose, a pioneer in the Shipping industry having more than 20 years worth of experience, who is the guiding light of the Merliz Group, supported by the Logistics Manager, Admin & Business Development Manager and department heads for Sales & Marketing as well as the Export and Import Documentation, Transportation and Operations functions.

The most important asset of Merliz is our team, which is comprised of 30 very strong, hardworking and dedicated staff who are well qualified and trained in Freight Forwarding, Export/Import Clearing Procedures, Transportation and Vessel Handling. We are moulded and organised into a well-coordinated and service oriented team. Our versatility and experience is enhanced by the varied range of cargo we handle for the company's wide clientele in different parts of the world. We provide personalised services and attention, where the whole team strives towards delivering quality services.

Infrastructure:

We have 2,000 sq.ft. of fully air conditioned, computerised office space, equipped with the most modern communication systems and a well experienced and young, dynamic and dedicated team.

Our Strength:

Good relationship with Customers, Seaport/Airport, Shipping lines and Airlines.

Proper follow up system.

Dedicated and Committed staff.
